

Narrow door—mass entry

Unworthy servants

Luke 17:1–10

Introduction

1. The seriousness of stumbling others

—worse than a concrete necklace

—watch yourself

—seven times!

2. The might of a miniscule faith

3. The attitude of humble service

Conclusion

Questions for discussion and reflection:

- In what ways might we cause others to stumble?
- Where do you find v3 particularly difficult right now?
- Why does focusing on Jesus and the cross help—even if we only manage to focus on this in a weak way?
- How does the attitude of the servant in v7–10 challenge the attitudes you have developed in your Christian discipleship?
- Why is the ‘community’ Jesus describes in v1–10 so attractive?
