Saving the world

God's certain promise

Genesis 15

1. God promises a certain family (v1–6)

2. God promises a certain home (v7–21)

Questions for discussion and reflection:

- How does this passage give us certainty in God's promises?
- When do you find it hard to believe God's promises? How does this passage help?
- How do you usually deal with doubts, or help others? How does Abram serve as an example of dealing with doubt?
